## **Principal's Message**

As the principal and director of Wish High School, it is my pleasure to welcome you to our online high school in Toronto, Canada. With a team of experienced teachers and professional support staff, we are committed to providing high quality education to our students all around the world. At Wish High School, an accredited Canadian high school by the Ontario Ministry of Education, we greatly value psychological aspects of education, prioritizing motivation, positive reinforcement and encouragement based on our students' autonomy. We are proud to have created an inclusive and diverse learning environment where we strive to help each and every student to successfully finish high school and advance to the university or college of their choice for post-secondary education.

# How Wish High School Works

Moodle is our Learning Management System (LMS) designed to provide educators, and learners with a single, secure, and integrated system to create personalized learning environments. It is widely used in schools, universities, and workplaces worldwide, offering a variety of features.

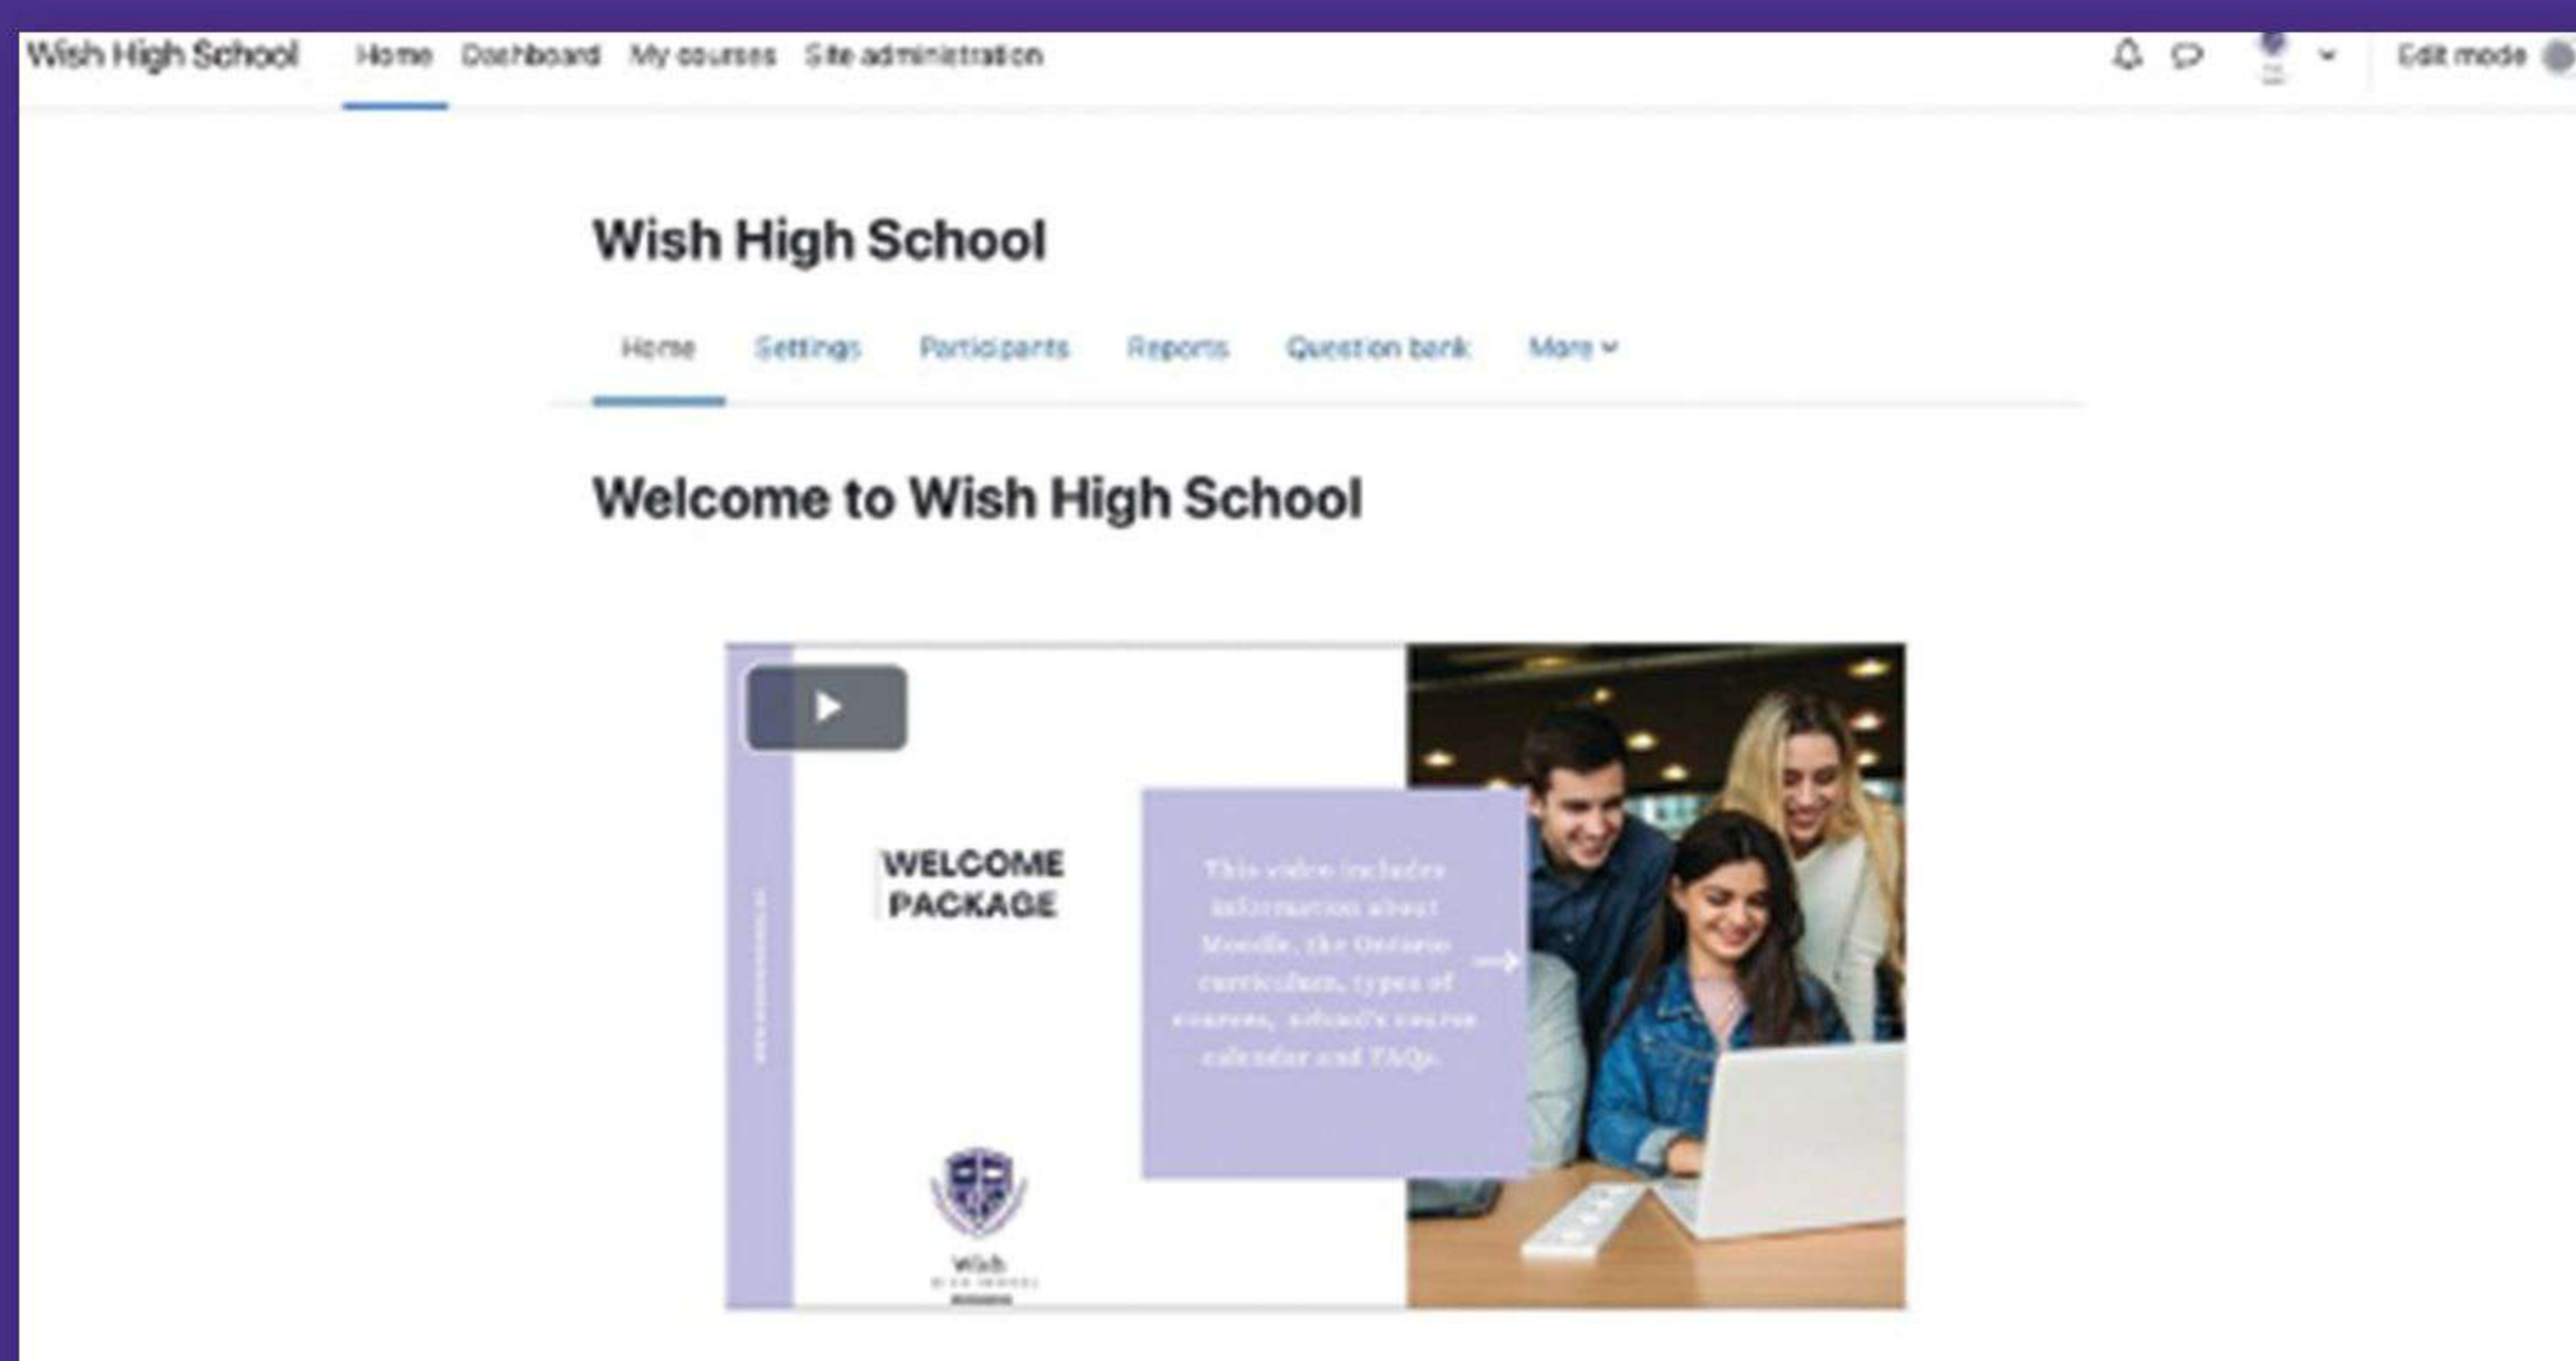

**Moodle is self-paced and trackable, each student will have a secure Moodle account.**

**Students can directly message their teachers.**

**Students can directly submit assignments and exams.**

**Students and their parents have full access to teachers' feedback and grades.**

**Students can access course contents including lessons, videos, assignments and exams using their phones, laptops, iPads, tablets, etc.**

# Recommended Study Plan for Grade 12's and Mature Students

1. Take ESL and Prerequisite Courses
2. Attend a Personal Guidance Meeting
3. Focus on Education and Career Planning

## ▼ Preparing for Post Secondary

1. Complete IELTS or TOEFL
2. Complete Gr. 12 Preparation Courses
3. Complete Volunteer Hours
4. Join in Extracurricular Activities

## ▼ Post Secondary Application Support

1. OUAC and OCAS Workshops
2. University and College Seminars
3. 1 to 1 Guidance Meetings
4. Virtual Post Secondary Open Houses

1. OUAC & OCAS Application Deadline by January 15th
2. Submit Other Supporting Documents Required
3. Submit Report Cards

1. Early acceptance & Scholarship in March
2. Deadline to submit IELTS or TOEFL and Test Results (Before April)
3. Completion of Ontario Secondary School Diploma
4. 1 to 1 Personal Guidance Meeting
5. Accept University & College Offer
6. Successfully Start Post Secondary School

# Enrolment Process

1

## Consultation

Book a consultation session with one of our advisors to discuss your education goals.

2

## Application

Apply online at: [www.wishhighschool.ca](http://www.wishhighschool.ca) OR fill out the registration form.

3

## Documents

Email the registration documents to the school.

4

## ESL Assessment Test

You will be scheduled to take an ESL placement test and an interview to assess your English.

5

## One-on-One Meeting

Meeting with the principal to finalize your registration and receive your personalized study plan.

6

## Payment

You will receive an invoice for your tuition fees and you can pay online or through your bank.

7

## Moodle Account

You will receive an exclusive Moodle account for your courses.

8

## Start

You will be registered in courses and can begin your journey with Wish High School.

# Why Choose Wish High School

Wish High School focuses on delivering comprehensive and flexible educational experiences through online platforms.

## Flexibility

Wish offers non-synchronous learning allowing our students to study at their own pace while meeting curriculum requirements.

## Assessment & Feedback

Regular assessments, quizzes, and projects with timely feedback from teachers to track students progress and provide feedback for improvement.

## Access to Resources 7/24

Students have access to educational resources, including lectures, discussion forums, and additional materials to support learning outside of regular school hours.

## Certified Teachers

Certified and qualified teachers with expertise in their subject areas, providing virtual instruction, feedback, and support to students.

## Extracurricular Activities

Virtual clubs and extracurricular activities to foster a sense of community that allow students to pursue their interests beyond academics.

## Virtual Labs and Simulations

Utilization of virtual labs and simulations to provide hands-on experiences in science, technology, engineering, and mathematics (STEM) subjects.

# Testimonials

## Here is what some students have said about Wish High School.

"I really appreciate the emphasis on extra curricular activities that Wish High School offers, making new friends is so easy! Wish High also has a diverse and inclusive community which is very welcoming and Wish High ensures that we as students feel supported at all times. I would definitely recommend this school to anyone!"

Ghazaleh Hosseini  
Grade 12

"The virtual classes at Wish High School are engaging and interactive. Wish High School offers a variety of courses that align with my academic interests. Preparing me for my future endeavours."

Fatemeh Afghah  
Grade 12

"Since I started at Wish High School I feel a sense of belonging here. The virtual learning environment at Wish High School is conducive to my academic success and I have really enjoyed my time here."

Diana Lee  
Grade 12

"Wish High School was one the best schools I have ever attended. The teachers really cared and helped me in many ways and prepared me for my future studies. I feel like Wish High has provided me with a well-rounded and enriching experience "

Evan  
Grade 11
